

Data Usage Agreement of Sina Weibo Data Set

In consideration of the promises and mutual covenants contained in this Agreement, Recipient agree to the terms and conditions below.

Article 1. Recipient Information

Recipient Primary Investigator Name: _____

Recipient Institution Name: _____

Recipient Institution Address: _____

Recipient Email: _____

Article 2. Data Set and Grant of License

2.1 The Dataset has been compiled by members of the Information Retrieval Laboratory at Tsinghua University and comprises publicly available data from Sina Weibo with the purpose of detecting users at suicide risk.

2.2 Tsinghua grants Recipient a non-exclusive license to use the Data Set solely for not-for-profit educational and/or research purposes. Uses of the Data Set include, but are not limited, to viewing parts or the whole of the Data Set; comparing data or content from the Data Set with data or content in other data sets; verifying research results with the Data Set; and extracting any part of the Data Set for use in Recipient publications or Recipient research in accordance with the terms of this Agreement.

Article 3. Recipient Representations

3.1 Recipient represents that it is not bound by any pre-existing legal obligations or other applicable law(s) that prevent Recipient from receiving or using the Data

Set.

3.2 Recipient shall provide proper citation and acknowledgement to Tsinghua University as the source of the Data Set in Recipient publications, presentations or other public dissemination of work utilizing the Data Set.

L. Cao, H. Zhang, L. Feng, Z. Wei, X. Wang, N. Li, and X. He, “Latent suicide risk detection on microblog via suicide-oriented word embeddings and layered attention,” in Proceedings of the 2019 conference on empirical methods in natural language processing, 2019.

L. Cao, H. Zhang, and L. Feng, “Building and Using Personal Knowledge Graph to Improve Suicidal Ideation Detection on Social Media,” IEEE Transactions on Multimedia, 2020.

L. Cao, H. Zhang, X. Wang, and L. Feng, “Learning Users Inner Thoughts and Emotion Changes for Social Media based Suicide Risk Detection,” IEEE Transactions on Affective Computing, 2021.

3.3 Recipient shall use Data Set for non-commercial, educational and/or research purposes only.

3.4 Recipient shall provide Tsinghua with immediate notice in writing of any breach of this Agreement, and if identification of any user in the Data Set becomes known to Recipient, Recipient shall also immediately use its reasonable best efforts to mitigate any harm or damage from such breach.

Article 4. Recipient Restrictions

4.1 Recipient shall not deduce or obtain information from the Data Set that results

in Recipient or any third party(ies) directly or indirectly identifying any research subjects with or without the aid of other information acquired elsewhere.

4.2 Recipient shall not use the Data Set in any way prohibited by applicable local, state or federal laws.

4.3 Recipient shall not modify the Data Set, except as allowed hereunder.

4.4 Recipient shall not transfer any part of the Data Set to any third party without prior written consent from Tsinghua University.

4.5 Recipient shall not make or use the Data Set for any commercial purpose.

Return completed agreement to: Lei Cao, Ph.D. cao-l17@mails.tsinghua.edu.cn
